What Does a Mobile Veterinarian Do?

Adobe Mobile Veterinary Service comes to you and is able to perform a variety of regular veterinary services that can be done in the pets' own comfortable environment, for example:

- Dog and Cat check-ups
- Pet Vaccinations
- Parasite Prevention (heartworm, fleas and intestinal parasites & worms)
- Flea Prevention
- Pet Nutrition Counseling
- Pet Euthanasia
- Blood Tests and many other veterinary services

Who Can Benefit from Mobile Veterinary Services?

- Anyone that owns a pet and falls under the following categories:
- Is physically unable to bring their pet to a veterinary clinic
- Wishes their pets' last moments to be spent in the comfort of their own home
- Pet owners challenged by time constraints and a busy schedule
- Own a pet(s) that are anxious while traveling and/or while at a veterinary clinic
- Own multiple pets and can take advantage of the convenience of the doctor coming to you.
